

7 Wonders Organizer

By Felix "Fractale" Thålin
www.fractaleffect.com

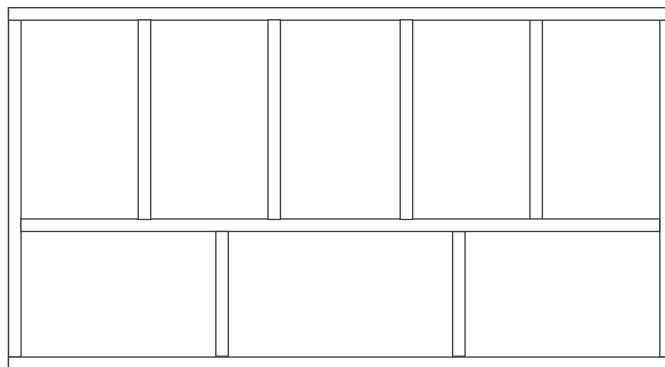

Made with Foamcore
A4 sheets required: 6
Build time: 6h

Made to hold:
Base game
Wonderpack expansion
Cities expansion
Leaders expansion

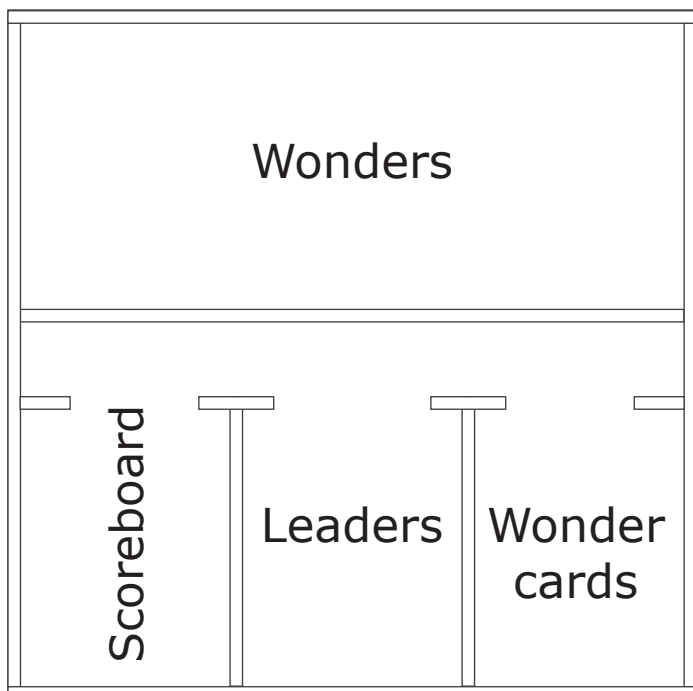

Age tray

Token tray

Bottom Insert

Play-ready

Age tray and Token tray can both be used on the table during play while the Bottom insert only contains things that are selected at the beginning of the game and thus never has to leave the box.
